(1) In order to ensure implementation of the Commission contribution to the European Fisheries Control Agency (EFCA), and of the compulsory contributions to the international fisheries organisations, it is necessary to adopt a financing decision and the work programme for 2015.

(2) It is appropriate to authorise the payments of the compulsory contributions to the International Organisations of which the European Union is a member according to the terms of Article 121 (2) (d) of the Financial Regulation. This Decision should allow for the payment of interest due for late payment on the basis of Article 92 of the Financial Regulation and Article 111(4) of Delegated Regulation (EU) No 1268/2012.

(3) For the application of this Decision, it is appropriate to define the term 'substantial change' within the meaning of Article 94(4) of Delegated Regulation (EU) No 1268/2012.
