2. AMENDMENTS TO ANNEX IB	14

1. AMENDMENTS TO THE PROPOSAL

- The following recitals are inserted:

“In accordance with the procedure provided for in the agreements on fisheries relations with Norway and in accordance with the Trade and Cooperation Agreement between the European Union and the United Kingdom, the Union has held trilateral consultations with the United Kingdom and Norway and bilateral consultations with Norway on fishing rights for stocks. In accordance with the procedure provided for in the agreement and protocol on fisheries relations with Greenland and Denmark, the Joint Committee has established the level of fishing opportunities available for the Union in Greenland waters in 2021. It is therefore necessary to include those fishing opportunities in this Regulation.”

“The fishing opportunities for North Sea cod should be established in order to ensure the level playing field for Union operators and to provide for the recovery of that stock.”
