European Commission

**Annual Report on the implementation of Regulation
(EC) 1185/2003, as amended by Regulation (EU)
605/2013, on the removal of fins of sharks on board
vessels**

With reference to above mentioned article Sweden wants to report the following concerning 2014.

1. The number of landings of sharks:

o (zero) landings of sharks as Sweden has a fleet that did not catch, retain on-board, tranship or land sharks

2. Number, date and place of the inspections that have been carried out

o (zero) inspections

3. Number and nature of cases of non-compliance detected, including a full identification of the vessel(s) involved and the penalty applied for each case of non-compliance

o (zero) detected non-compliance

4. Total landings by species (weight/number) and by port

o (zero) landings of sharks
