# Some national specificities

- Most regionalised MS leave the choice of applying CLLD to regional authorities, so that:
  - In **Austria, Germany, France, Italy, Poland, Spain** only 1 or 2 regions are actually applying CLLD outside EAFRD/EMFF
  - There can be **significantly different approaches e.g. to multifunding or Lead Fund** within the same MS (e.g. UK)
- **Finland** applies CLLD also from national budget in urban areas
- **Malta** has CLLD only in EAFRD, but envisages integration with an SME support instrument under ERDF

# Some national specificities

- Coordination mostly aims to **avoid overlap/double funding**, but there is not much information on how synergies will be achieved
- **Measures** to ensure a coordinated approach include:
  - Joint MA for all CLLD Funds (SE)
  - Joint body with delegated responsibilities (DK)
  - Joint Monitoring Committee (UK Sc)
  - Nominating a „Lead Ministry“ (SK)
  - National Permanent Conference (CZ)
