1.1.1. FAME: Help Desk for the EMFF monitoring and evaluation network

Subject matter of the contracts envisaged	<p>The ESI funds are underpinned by a stronger "result-orientation". In the case of the EMFF, this has been fostered by the establishment of a new Common Monitoring and Evaluation System, which will require new evaluations functions and tasks to be undertaken by the Commission and the Member States. This will require a long-term effort to progressively build the capacity to effectively address this challenge. This effort should be undertaken collectively with the MS in order to foster a reinforced evaluation culture in both DG MARE and the MS.</p> <p>The contract foresees the provision of support services to help the Commission undertake a set of tasks linked to this new monitoring and evaluation system and fulfil the new obligations included in the Common Provisions Regulation.</p>
Type of contract	Service Contract (renewal of existing contract)
Indicative Budget	€1.000.000
Implementation	This action will be implemented by DG MARE.
Indicative timetable	Renewal of service contract in the 2 nd quarter of 2017.

1.1.2. Support Unit for the European Fisheries Areas Network (FARNET II)

Subject matter of the contracts envisaged	The Support Unit for the European Fisheries Areas Network (FARNET II) has been set up. It is in charge of supporting the implementation of community-led local development in fisheries areas. Its task will be to
