Ancillary tasks
What happened in 2019?

**Working papers** on Art.97.1(a) reporting, AIR 2017 part C, result indicators validation

**FAME Infosys** validation tool; formal and plausibility checks

**Annual stakeholder meeting** reviewing EMFF progress and post 2020 planning

31 **FAQs** and 12 **stories of the month**, 3 videos

**Needs assessment workshops** (13 done, 5 planned in 2019)

**Continuous ad-hoc support** to DG MARE and the Member States
What are Member States’ needs?

Needs related to **obligations** deriving from a **regulation** (e.g. CPR, CIR 480/2014, CIR 1243/2014, CIR 1362/2014 etc.)

Needs related to **regional specificities** (e.g. Mediterranean, landlocked country etc.)

Needs related to **OP architecture** (e.g. allocation of funds among UPs, measures related to the Landing Obligation, etc.)

Needs related to **monitoring and evaluation capacity**
What priorities for 2020 (I)?

Programming for the **new OPs** (intervention logic, SWOT, M&E setup; use of EMFF evaluation findings, target setting...)

Define the **EMFF CMES post 2020** (intervention logic, indicators, Infosys, reporting and annual performance report...)

**Further improve Art.97.1 and AIR reporting**: focus on sustaining quality and eliminating the remaining errors and shortcomings
What priorities for 2020 (II)?

Support MAs with **OP 2014-2020 evaluations**

**Further invest in capacity building for monitoring and evaluation, both at the MS level (MAs + IBs) and within DG MARE**

**Identify potential for adjustments to delivery mechanisms**
What can we expect in 2020? (I)

Revised FAME Infosys validation tool

Working papers and workshops (common indicators, Infosys)

Enhanced reports on EMFF implementation (Art.97.1, AIR synthesis)

Stories and Videos as sources of good practice
What can we expect in 2020? (II)

Annual stakeholder meeting in autumn 2020

Peer reviews in the MSs (focus on OP targets)

Exchange on FAME Member State Platform

Training and capacity building for DG MARE and the MSs
5. Contacting FAME SU

How can FAME SU help? (I)

Working papers and reports **cannot cover everything**

EMFF expert group meetings, workshops, stakeholder meetings and peer reviews are **opportunities** for exchange

*If you have specific questions or needs:*

- use the **FAQ option**, or
- **define your need** that could be addressed with an ancillary task
How can FAME SU help? (II)

If you have a specific need:

**Standard outputs**
- FAME Infosys reporting tool provides simple answers to a number of topics
- FAME reports (AIR synthesis, EMFF implementation)
- Stories
- Working papers, comprehensive, planned well ahead (core tasks)

**Custom outputs**
- Ad-hoc requests beyond what the FAME Infosys reporting tool can provide
- Frequently asked questions for methodological questions
- Training, workshops, stakeholder meetings and needs/assessment/peer reviews
Thank you for your attention!
