

**PROTOCOL OF FISHERIES CONSULTATIONS BETWEEN NORWAY AND THE
EUROPEAN UNION, ON BEHALF OF SWEDEN, FOR 2020**

BRUSSELS, 13 DECEMBER 2019

Consultations on the Swedish fishery in the Norwegian Economic Zone south of 62° North for 2020, within the framework of the fisheries agreement between Norway and Sweden of 9 December 1976, took place in London from 18 November to 22 November and in Bergen, Norway from 2 December to 6 December 2019, and Brussels on the 13 December 2019 between a European Union Delegation on behalf of Sweden, headed by Mr Fabrizio DONATELLA and a Norwegian Delegation, headed by Ms Ann Kristin WESTBERG.

1. REPORT ON THE SWEDISH FISHERY IN THE NORWEGIAN ECONOMIC ZONE

1.1. The EU Delegation, on behalf of Sweden, reported on the Swedish fishery during 2018 and 2019.

It was concluded that the official catch statistics were in conformity with the catch reports submitted by Swedish vessels to the Norwegian fisheries authorities.

1.2. In order to increase transparency, the Delegations agreed to further discuss co-operation in the field of catch statistics. In this context, it was agreed that monthly catch statistics for the preceding month, broken down by species for fisheries regulated under section 2.1 in the Norwegian Economic Zone will be forwarded.

2. QUOTAS AND LICENCES FOR A SWEDISH FISHERY IN THE NORWEGIAN ECONOMIC ZONE FOR 2020

2.1. Quotas

The Norwegian Delegation informed the EU Delegation, on behalf of Sweden, that the following quotas would be allocated to Sweden in the Norwegian Economic Zone in 2020:

	Tonnes
Cod	382
Haddock	707
Saithe	880
Pollack and Whiting	190
Herring	948
Mackerel	271 ¹
Shrimps	123
Industrial species, of which a maximum of 400 tonnes of horse mackerel	800
Other species:	At a traditional level

¹ May also be fished north of 62°N

By-catches of Cod, Saithe, Haddock, Pollack and Whiting shall be counted against the quotas for these species.

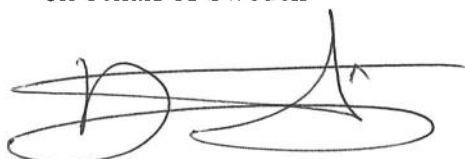

2.2. Licences

The Norwegian Delegation informed the EU Delegation, on behalf of Sweden, that the licences for Swedish vessels in 2020 will be issued on the same basis as previously, in line with established practice.

Regarding mackerel licences, applications shall be forwarded no later than 31 July 2020 and will be processed and issued before the mackerel fishery is opened in the Norwegian Economic Zone.

The two Delegations agreed that licences issued for fishing under this arrangement in the Norwegian Economic Zone may only be used by vessels flying the flag of Sweden.
