Dear Mr. Stein,

The Slovak Republic is landlocked county which is not involved in marine fishery activity. The Regulation (EU) No 605/2013 of the European Parliament and of the Council of 12 June 2013 amending Council Regulation (EC) No 1185/2003 on the removal of fins of sharks on board vessels does not apply in the Slovak Republic.

Kind regards

Ing. Ján Sukovský
