**Subject:** VL: Report on the implementation of Regulation (EC) 1185/2003 on the removal of fins of sharks on board vessels

**Importance:** High

Dear Sir

Just to inform you regarding this reporting obligation of the Regulation (EC) 1185/2003, that Finnish fleet operate in the northern part of the Baltic Sea and vessels have not caught, retained on-board, transshipped or landed any sharks to Finnish ports in 2014 as it has been the case earlier.

Best regards

Jarmo Vilhunen
