# Key features of the German EMFAF Program

## 11 Managing Authorities

(10 Federal States + Federal Office for Agriculture and Food)

 BMEL as coordinating body and liaison with COM

 **One programme**; measures autonomously implemented by FS and budget allocated accordingly

 EP about to be adopted by EMFAF MC

# 1.) Learnings from developing the EP

- 🐟 **Limited knowledge and capacity** with regard to programme evaluation among MAs
- 🐟 Challenging to establish **agreement on sufficient, relevant and appropriate evaluation activities**, including designation of the corresponding **budget** from TA => no fixed amount/ percentage indicated in CPR, EMFAF-Regulation
- 🐟 Challenging to establish **clear responsibilities for monitoring the implementation** of the EP
- 🐟 **Guidance and support by FAMENET key** (Working paper, Kick

# 2.) Evaluation activities in the next 6-12 months

### 3.) Challenges foreseen

-  **Limited capacity** to ensure implementation of the EP;  
conflicting priorities
-  **Limited evaluation expertise** among members of  
the EP Steering Committee

# Thank you for your attention!
