The COVID video

- *During the COVID lockdown everyone had to **reinvent** their working routines;*
- *Shooting **FAME videos** became almost impossible;*
- *FAME geographic experts had a **crash course** on journalism and video shooting and were sent to the field;*
- *6 Member States and DG MARE participated, 11 stakeholders were interviewed (directors cut);*
- *The official version shows only 4 MS (7 persons) and DG MARE (1 person).*

The COVID video

- *The final result is a video that presents how COVID affected the fishing and aquaculture sector and the measures taken by the European Commission and DG MARE.*
- *Watch it here:*
 - <https://audiovisual.ec.europa.eu/en/video/I-193853>
- *Thank you to our geographical experts and the persons involved for making this possible and for all their efforts in this extraordinary situation!*

Thank you for your attention!
