EMFF SPECIFIC EACs

- Completion of 2015 action plans

- 10 of 28 EMFF action plans were foreseen for completion until end 2015
- These action plans consist of a total of 20 distinct actions
- 5 of the 10 action plans were reported as fully implemented by the MS
- COM however assessed 4 of these as non-fulfilled
- 1 assessment is pending

Conclusion

- A large part of the EACs that were to be fulfilled by 2015 – both general and EMFF specific - remain unfulfilled
- For 50% of the action plans with deadlines end 2015 MARE has no information on the state of play
- Of the 10 EMFF actions plans that had to be fully implemented until end 2015, none has been confirmed as fully implemented and the EAC as fulfilled
- Failure to complete the action plans by end 2016 may result in a suspension of payments in 2017
